

Egg Carton Crab Craft

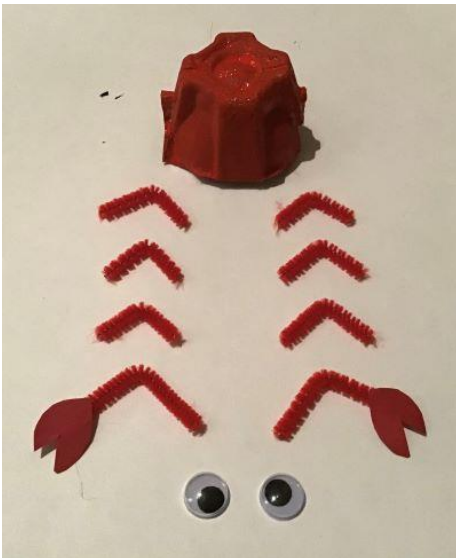

Materials:

- egg carton cups
- red paint
- 2 or more googly eyes
- red pipe cleaners
- red construction paper
- scissors
- glue

Instructions:

-
- Cut off one egg holder from its carton and paint it red.

-
- Cut up your red pipe cleaners to create the legs (8 in total). Also, cut claws out of your red construction paper; attach these to the 2 front legs.

-
- Glue each piece onto the egg carton as desired. Your crab is finished!
